

Senior Champs**Date Dec 13-15th****Location FBISD Training Pool**

Power for Life had another successful Champs meet. Senior Champs was a prelims/ final meet where the top 24 swim from prelims came back in the evening to race again. We had a lot of person best times resulting in a number of finals swims. Our athletes did a great job of racing, and our staff is so proud of you gang. Our 13–14-year-olds really had to step up to make finals because all finals were 13 and up. They had to compete against the 15 and up swimmers to make finals. Just imagine what we could do if we had all our Thunder group athletes attend this meet. Planting the seed for next year gang. Below are the athletes that represented Power for Life and how they did individually.
